

# PATIENCE & DIVINE TIMING

## REFLECTION SHEET

WHISPER No. 26 OF 52

### ABOUT THIS WHISPER

Everything unfolds in divine timing, even when it doesn't make sense right now. Patience isn't passive—it's trusting that what is meant for you will find you at the perfect moment. This Whisper invites you to release the hurry, the pressure, and the need to control the how and when. Trust the timing. Your time is coming.

*"The best things in life come to those who wait, because what's meant for you is always worth the wait."*
